

JACQUARDS

“

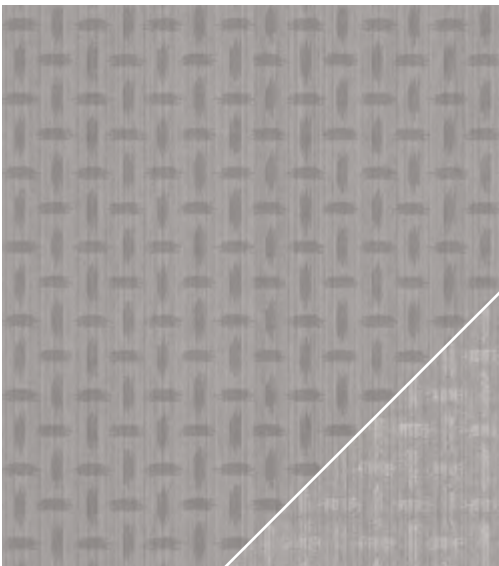

The jacquard fabrics provide an insight into the skill and expertise offered by Dickson: its in-house design team monitors the latest trends to create these graphic fabrics in pastel and powdered hues.

Its Brush and Constellation fabrics reflect nearly 200 years of yarn and weaving proficiency.

Much more than patterns, they bear witness both to its manual and machine work, and weaving effects developed especially to appeal to our senses.”

Tip

Up or down ?

Because our Jacquard designs are based on a double interplay of colours, your fabric takes on a different aspect depending on whether you are above or below it.
