MESH FOR EXTERNAL BLINDS & AWNINGS

EXTERNAL BLINDS TO ENHANCE RESIDENTIAL & COMMERCIAL APPLICATIONS.

Skyline delivers exceptional durability, longevity and a range of modern colours and styles. The Skyline range is suitable for use with external blinds and awnings and is the perfect addition to enhance your residential or commercial environment. Skyline delivers a range of modern and stylish colours, excellent performance and offers protection without compromising the visual aspect. Skyline is ideal for Straight Drop and Zip Channel Awnings and Sliding Shade Systems.

FIRE RETARDANT
Skyline fabrics are designed for residential and commercial environments and are tested to the relevant Australian standards.

GREENGUARD® GOLD
Skyline is engineered with environmental responsibility as one of its key criteria. The lead and phthalate free formulation provides low emissions and is Gold Level certified by Greenguard.

MOULD & MILDEW RESISTANT
Skyline has been finished with a treatment that provides ease of maintenance by inhibiting mould and mildew growth. It also improves the textiles’ longevity and makes for easy cleaning.

DURABLE & EASY TO MAINTAIN
Skyline is as durable as it is stylish and is designed to handle high traffic applications with ease. Skyline mesh is easy to maintain and only requires occasional cleaning using a mild detergent then rinsing with clean water.

COLORBOND®
A selection of colours throughout the Skyline collection are inspired by COLORBOND, matching any existing outdoor theme.

10-YEAR UV WARRANTY
Skyline is a proven performer under the Australian elements and is supported with a 10-year UV warranty.
